English	What has been your favourite book that you have read in Year 4? Why? Complete a book review for it and add it to your book.	Book of Hopes ' Care of Exotic Pets ' p. 6 to 7 by Catherine Johnson. Read through the poem. Can you work out which word have been changed and what they should be? Why have they been changed?	Create a story map for an adventure where the axolotl gets lost! You could use Purple Mash to create 'pictures' or draw a story map.	Make a reward poster for the lost pet. What on earth does your axolotl look like? There are some clues in the poem! Don't forget to add: diet, description, behaviour, contact details and a suitable reward!	If you have not yet already heard, you will soon find out about your new teaching team for Year 5! Please write to the team to introduce yourself.
Maths	Gareth Metcalfe I see Maths Different Answers Follow up task	Oak Academy To develop strategies to plan and solve problems	Gareth Metcalfe I See Maths Grid: Swapping Sides Follow up task	Gareth Metcalfe's recommendation from The Association of Teachers of Mathematics task for 7th July 2020, ' Nim '. This is a 2 player strategy game! What is the strategy to make sure you win each time?	Oak Academy To develop strategies to plan and solve problems
PSHCE	<p>This year has been extraordinary and as your teacher, I am proud of the way that you have been able to negotiate the lockdown period. I regret that we have not been able to complete this year together but I would like you to reflect on the achievement of which you are most proud of and why it stands out for you.</p> <p>Each of us is unique, what does that mean. Play this short video clip called, 'Rock, Paper, Scissors. Be Together. Not the Same' (and stop at 0.56). What do you think 'Be Together. Not the Same' means? At various point in the film the three main characters experience fear. When have you felt frightened? How does it feel? What can you do about it?</p>				
P.E	<p>Sadly, this year we are not able to take part in 'Beat the Street' but hope it will return again next year. Traditionally, in Year 5 we have taken part in Bikeability to ensure that our skills on the road are up to scratch. There are over 20 activities from British Cycling to help you develop confidence in your cycling. This is the link to the activities page. You may wish to speak to your parents about free registration which will enable you to receive cycling news, content, offers and tips. Cycling is a great way to keep fit and it gives you an environmentally friendly way to get to places!</p>				
Topic	<p>Book of Hopes 'Care of Exotic Pets' p. 6 to 7 Design and annotate the perfect habitat for the axolotl. What will it need to not only survive but thrive? Does it live alone or require other creatures like it to survive? What will it need as a food source?</p>	<p>In the Mayne family, there are two boys who live with Mum and Dad. The boys have grown up with two pet cats but sadly, we no longer have either because they have passed away. We cannot agree at the moment about whether we should grow our family by adding two kittens or perhaps get a puppy. A more controversial solution is that we get two kittens and a puppy; perhaps we shouldn't get a pet at all! I have to confess that Mr M. is technically an ailurophile, and Mrs M. is a cynophilist, (lover of dogs). The boys like both, but not necessarily the idea of taking some responsibility and caring for cats or dogs! Because the boys are older now, (after the Summer break one is entering Year Four and the other Year Ten), we believe they should take some responsibility for looking after any pets. What would your advice be?</p> <p>Here are some ideas about the best pets for children. Do you agree? Do you think that it is right to keep pets? You can create an A4 poster to focus on one of the following;</p> <ul style="list-style-type: none"> • Why it is not kind or fair to keep animals as pets; • Choose one pet and show how you should care for it; • Points for and against keeping a pet or pets, (try to keep it balanced.) 			

		Add your poster to your book.
